. . . to West H. Thomas. A native son of Grady County, Coach Thomas exemplifies the promise of all its young people who go out into the world to make good. He is a commanding personality who is dedicated to his position and is fully capable of the authority vested in him. He is constructively interested in all of the students and in all of their programs. His colleagues find him unusually co-operative. Although a man of the people, he does not allow shady things and is an example as a man of strong words but not strong language. He believes as all do eventually, that one must give up something in order to do good.

To a very cute and sweet girl
with a matching personality.
I wish the best of everything
to you in life and may
God always be with you.

Best of luck
always,
Elva

History of the Band

Organized in 1946, the Cairo High School Band has been most active throughout the twelve years of its existence. It has played for practically every civic celebration of any importance, plus many out-of-town engagements. During the school year of 1954-1955 the band played some seventy-odd public performances of one sort or another, averaging more than two per week.

The Cairo High School Band has participated in every band contest in the state of Georgia in the past nine years and has earned top ratings each and every year. During this time it has won one hundred and forty-five First Divisions, ten second Divisions, and two Third Divisions, in state and district competition. Entering the state contest in 1952, the Cairo organization won the top ranking ratings for an all time high mark; entering thirteen events, this band earned a perfect score of thirteen First Division ratings. This mark will stand for all time, been discontinued for the In 1955, in Moultrie, at Cairo Band entered 13 events or top ratings, for a re-scores. Again in 1956, and equaled this record by entering 13 First Divisions.

Last year the concert tour took the band into three states: Florida, Georgia, and Alabama. The 1957 concert tour will take the Cairo High School Band into South Carolina for the third year. However, this year the tour will be through the Eastern part of the state and will number 938 official miles.

The only section of the State of Georgia in which the band has not played extensively was the north-western part. This portion of our state was covered by the band last year on their annual concert tour. Traveling as far north as Cartersville the band played in every part of the western portion of our state.

Even so it's not the outstanding victorious accomplishment of those pictured on this page but the wonderful spirit of being a part of the athletic program of Cairo High School.

Perhaps only a few will emerge to shine as future heroes of C. H. S. Yet out of these will emerge the future citizens of our country - - infested with spirit, ambition, and the "know how" for a successful life because of having once been a part!

These are the remaining members and additions to the C.H.S. track teams that have compiled such a great record and are contenders for a fourth straight Regional title. To those remaining and to those departed who have been a part of making this outstanding record we say, "Congratulations for work well done."

Returning from last year's team to form the core of the team this year are: Jimmy Thompson, four year letterman, Senior; Mark Carr, Seasoned Senior; Carey Smith, field event specialist, Senior; Tommy Wells, vaulter, Senior; Pat Ward, proved Junior; Randolph Wimberly, muscular weight man, Junior; Robert long, promising Freshman.

This group represents C.H.S. in those feats in which winning efforts show only hardwork, personal determination, plus outstanding coachmanship on the part of Coach Tommy Taylor.

*To a very nice girl that I've enjoyed knowing
during 4th period. May you have the best of luck
in your future life*

The spring of 1957 was the first year an organized Cairo High School baseball team went into the field to play in competition with other schools. Considering their complete lack of experience and the absence of a home diamond, their record was a good one with four wins and six losses. There were no seniors on this team so the 1958 team promises to be even better with its experienced players.

*Jeannette, I have enjoyed being in
 chorus with you this year. I think
 you are a very nice girl. May you
 have the best of luck always.*
